

Testimonials

"Jessica enjoys diversified activities YES professional staff provides very hearty care and we work closely together to achieve the goals set under her Individual Development Plan."

"I feel that Darius is learning a lot and getting matured. He is the one choosing what shirt and pants now, what he needs to wear ... and he can say the whole sentence now....I can only say that he has made a big improvement."

"Padraig's social skills have improved since joining the YES programme as he's willing to try out new things and new places. He is also a lot more independent now. Staff at YES have also been amazing to Padraig, they are patient, supportive and understanding to meet his needs."

"Joseph learns how to give service at CONNECT. He finds satisfaction through training, coaching and service delivery.... Recently he started to serve in an elderly centre every Wednesday. He expresses that it is a meaningful service that he can see every smiling face from the elderly."
